## QUALITY POINTS

Fifteen quality points are added to the semester average to calculate GPA for students in Advanced Placement, Dual Credit, and Pre-Advanced Placement classes. This weighting applies only to semester averages of 70 and higher. Students must remain in the course for the full semester for quality points to be awarded.

Pre-AP semester grade + 15 points

AP/DC semester grade + 15 points

## GRADE POINT AVERAGE/RANK IN CLASS

GPA is expressed as a mathematical average calculated by adding eligible semester grades (including quality points earned) and dividing by the total number of credits attempted.

Eligible semester grades earned in grades 9, 10, 11, and the fall semester of grade 12 or at graduation shall determine GPA and class rank.

Grades for calculating formal GPA are those earned through:

1. The regular school year
2. Approved correspondence courses
3. Grades earned though Credit by Exam
4. Credit by Exam for Acceleration
5. Approved Dual Credit
6. District and other approved summer school programs
7. Approved night school programs
8. Transfer Grades/Credit

**Tomball ISD reports GPA on a weighted 100-point scale. To convert to a weighted 4.0 scale:**

$$\text{GPA} \div 100 \times 4 = \text{GPA (4.0 scale)}$$
